INTERLIBRARY LOAN (ILL) & DOCUMENT DELIVERY

If you cannot find what you are looking for in Natolin Library, you can order it via Inter Library Loans Service (ILL), which is a service whereby a user of our library can borrow items (print books, journal articles, book chapters) from another library.

ILL obtains and delivers materials not owned by Natolin Library, through cooperative agreements with other libraries, including the one in Bruges.

Before placing an ILL request, check the Natolin Library Catalogue thoroughly to make sure the Natolin Library does not hold the material you need.

You can place your ILL request via email: ill.pl@coleurope.eu.

To proceed with your ILL request we will need information about the publication:

- The type of material (book, article, chapter, etc.)
- Author and title of publication
- Publisher or Journal name
- Publishing year/journal number/volume
